

Are you feeding stray cats?

We can help get them fixed. The Indianapolis city shelter can't save and support the huge number of accidental litters, strays and family pets brought to the shelter every day. Help end the stray cat overpopulation in Indianapolis.

Community Cat Package

cat with eartip

Package Includes:

- Spay or neuter surgery
- Pain medication
- Rabies/FVRCP vaccination
- Eartip for identification
- Medical treatment if needed
- Trap-Neuter-Return help

We ask for a \$30 donation per cat. Any donation you can make is appreciated but not required as we rely on donations to help as many cats as possible. Ask about FREE or discounted programs you may qualify for as funds are available.

For more information:
