

let cats *patrol*

THE PREMISES FOR YOU.

Looking for environmentally friendly pest control?

We have healthy, fixed and vaccinated cats in need of outdoor homes. These proven mousers can keep your backyard, nursery, warehouse, barn, or farm, rodent free. These cats are ready to work!

You provide the food, water, shelter, veterinary care, and the cats will do what they do best! Low-cost adoption fee is appreciated.

Learn more by contacting us at:
