

Title: Dog Walker

Profile: Our dog walkers dedicate two to three hours per week to getting our adoptable dogs out of their kennels and on walks around the neighborhood. This time is so important for our dogs in order for them to stay socialized and in good health, both physically and mentally.

As a Dog Walker, you will:

- Walk our adoptable dogs while using only positive reinforcement behavior techniques.
- Help our dogs gain confidence and get exercise with walks around the clinic.

Requirements:

- Must be 21 years or older.
- Must have prior experience and comfort level with dogs, specifically larger dog breeds.
- Must be able to stand and walk continuously for two hours.

Required Training:

- New volunteer orientation.
- Shadow and train with current dog walker on first day.

Schedule:

- Commit to two to three hours per week on the same day.
- Monday through Saturday – timing is flexible.

Dress Code: Volunteers are expected to wear sensible attire while volunteering. This includes closed-toed shoes; such as tennis shoes, and clothing that can be easily laundered.

Support: In addition to the above training, our Animal Care staff members, Emily Todd or Nancy Mynatt, will be available for questions. Please check in with them if you are the first dog walker here for the day.
