face
low cost animal clinic

FACE exists to provide affordable spay/neuter, vaccination, and wellness services for the Indianapolis community to prevent the unnecessary euthanasia of dogs and cats.

Our Guiding Principles:

- We believe animals enrich our lives and all people deserve the opportunity to experience that joy.
- We need to provide affordable resources for low and moderate income residents.
- We believe establishing services for companion animals and their families is vital to becoming a no-kill community, which will make Indianapolis a happier, healthier city for all residents.
- We believe that Trap-Neuter-Return (TNR) is the only humane way to manage stray and feral cats, and will result in reduced shelter intake and euthanasia.

WHAT WE CAN DO

- Spay/neuter surgeries
- Vaccinations
- Microchips
- Parasite prevention and control
- Treatments for
  - Upper respiratory infections
  - Ear infections
  - Eye infections
  - Skin infections
  - Sprains and strains
  - Mild cuts and abrasions
  - Mild to moderate bite wounds
- Heartworm testing
- FIV/FeLV testing
- Bloodwork and basic diagnostic assessments
- Vomiting and diarrhea (Patients may be referred to another provider based on diagnosis)
- Outpatient Parvo testing
- Outpatient Panleuk testing
- Limited outpatient parvo treatment

WHAT ARE VACCINE VISITS?

Vaccine visits include a basic assessment, parasite prevention/control recommendations, and the actual vaccinations. Microchip placements, heartworm testing, and/or FIV/FeLV testing may also be done at this time.

WHAT ARE WELLNESS VISITS/EXAMS?

Wellness visits include a comprehensive exam where all major body systems are evaluated. Our doctors will also provide diagnosis and treatment for common diseases. Patients may be referred to another provider for additional medical care if a severe medical issue is diagnosed.

WHAT WE CANNOT DO

- Major trauma or emergency care
- Overnight care
- Dental cleanings and extractions
- Eye surgeries
- Heartworm treatment
- In-house Parvo treatment
- End of life services
- Grooming
- Declaw procedures for cats
- Ear cropping procedures for dogs
- Treatment for chronic conditions such as diabetes, anxiety, behavioral modifications, thyroid disorders, or heart disease
